107TH ANNUAL MEETING

November 4-7, 2021 | Miami Beach

American Academy
of Periodontology

Spend Nov. 4-7, 2021 learning about the latest innovations and research in periodontics. And when you're not at the meeting, enjoy all the beaches, restaurants, golf courses, and sunshine Miami Beach has to offer.

Highlights include:

- An all-new Thursday to Sunday format
- 22 CE credits with courses on saving natural teeth, practice marketing, and demystifying corporate dentistry
- The Speaker Studio featuring live, one-on-one Q&A with seasoned experts in a casual setting
- Hundreds of exhibitors will be on-hand to demonstrate a range of dental products and services
- A special perio-systemic symposium honoring the late Dr. Robert J. Genco
